Snowmobile & ATV Club

WASHBURN COUNTY WISCONSIN

December 2024

From The President

NEW ORGANIZATIONAL CHANGES

The Club recently decided to restructure our meeting format. Rather than having two meetings per month as in the past, we will now have one combined Board and General meeting per month. The new format will be to meet the second Wednesday of each month at 5:00pm. In an effort to further support our community, the meeting will be held at the Spooner Civic Center in a room next to the new Station restaurant. The Station will soon be a fully operational restaurant with a full menu. It is certainly our hope that our members will join us for these meetings to learn more about the Club's activities and needs.

Although we will no longer be having a monthly meeting at a different sponsors establishment, we are doing near monthly meat raffles which is even more profitable for them than a meeting. Also, our survey suggested that there was interest in having more weekend events to accommodate the folks who aren't here during the week. The meat raffles are always on the weekend. A win win!

Another exciting and very beneficial development is an important change in our taxable status. Some months ago we filed with the Internal Revenue Service to become what is referred to as a 501 (c)(3) organization. One of the primary benefits to being a charitable organization under this section is allowing those who donate to our Club to deduct the amount of the donation from their taxes. It is obviously a strong incentive and benefit for those wishing to donate to our cause. Indeed, Polaris has been informed of our new status and will be donating to our club.

Winter IS Here!

Renewing your membership is the only way to get discounted trail passes.

Membership Renewals

The new membership credit card process has been a big success so far. As with any new technical process there are bumps and blips along the way and we've had a couple, but overall, the implementation was smooth and efficient. Upon payment, you should've received a confirmation if things were successful. If you paid the \$37 dues which includes AWSC registration you should've gotten that confirmation by now also allowing you to order your discounted trail passes. If you renewed and did not yet receive your AWSC confirmation yet, wait a week or two before inquiring as we batch up those registrations and submit them every one or two weeks as we accumulate them. If you've already renewed, Thanks!! If not, please do ASAP as your Rolling Hills and AWSC registration both lapsed on 6/30.

If you are having trouble with the process, shoot an email to rollinghills.info@gmail.com or through our "Contact Us" webpage and we'll certainly do what we can to help you out.

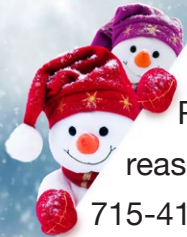

Here's the link to our payment page so you can renew now! :
