

ROLLING HILLS

Snowmobile & ATV Club

WASHBURN COUNTY WISCONSIN

March 2025

From The President

Change is in the Air

Not only is spring just around the corner, the Club is also considering changes and new endeavors. We have been distributing this newsletter on a monthly basis. With spring and summer quickly approaching, we are considering going to a bi-monthly publication of this newsletter. Our club volunteers have done an awesome job with the design and content of the newsletter. It is a very big task to put it all together and with all the activities we all enjoy in our relatively short summers, we are considering distributing the newsletter every other month rather than monthly. We will, however, continue sending out email notifications frequently on any important club news. Please let us know what you think about going to a bimonthly distribution of the newsletter.

Another very important event is the election of Board of Director members and Club officers. We have a Nominations Committee of Mary King (715.635.7054), Carol Heim (715.520.0827) and Gwen Welter (715.520.3567). This year we will be electing a Vice President, Treasurer, and five Board of Director members. All of these are two year positions. We will also be electing another Board member to fill a one year position due to a recent resignation. If you have an interest in serving in any of these positions, please contact one of the Nomination Committee members.
