Summer ATV/UTV Trip

There were 12 machines and 18 people attending the ATV/UTV trip this year up to the Iron River area in the Chequamegon-Nicolet National Forest on the Bayfield peninsula. It was a fabulous trip. We left the club maintenance shed at 9am on Monday 6/16. The trails were awesome as we made our way to the Barnes Trading Post for lunch. After lunch we proceeded on the Buckskin trail north and hooked up to trails 24 and 22 to the trail 2 corridor and the Brule Motel by about 4pm.

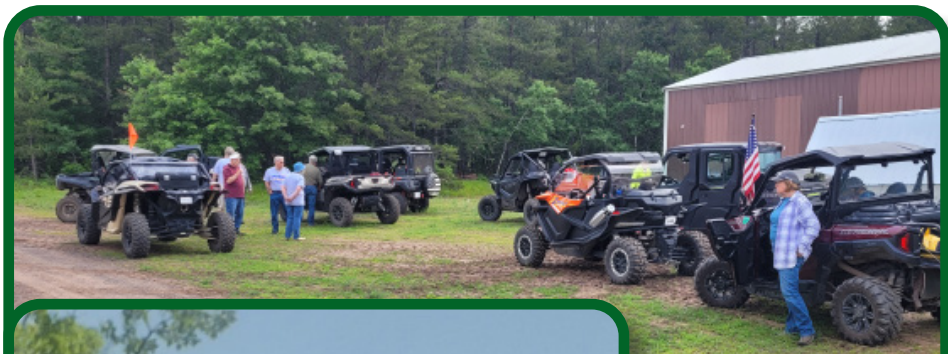

We rode all day on Tuesday, up to Port Wing then stopped for a delightful outdoor lunch in Cornucopia at the Siskowit Farmhouse and then back south and west winding our way back to Brule. The conditions were good. Most of the time dust was not a problem. Just the last couple hours of each day the dust clouds reared their ugly heads. But its expected, it's what we signed up for!

We had breakfast in Brule on Wednesday and headed back. We were back in the area by early afternoon.

We had a couple of dinners and breakfasts at the Twin Gables Café in Brule at the intersection of Hwys 2 and 27. All home made food and they really took care of us. All 18 of us. Check this place out if you're ever in the area.

Ryan Gramberg was our leader. Ryan did a phenomenal job leading the group. It is not easy leading a group this size, but he made it look easy. Everybody really enjoyed the ride!!

One flat tire. Otherwise, all 12 machines made it back none the worse for wear.

If you volunteer over 80 hours you are eligible to be reimbursed for two nights lodging for both club trips - ATV trip and the snowmobile trip.

2025-26 Membership Drive

As you may know, our membership year runs from July 1 through June 30 each year. This keeps us in sync with AWSC which has the same Membership year. Therefore, it's time once again to renew your membership with us. If you choose Base + AWSC membership, we will also immediately re-enroll you with AWSC so that you'd be able to order your trail pass at any time.

Our club base membership (without AWSC registration) remains at \$25 for this year. However, AWSC has raised their membership fee from \$12 to \$17 this year. Therefore, our Base + AWSC membership has been raised to \$42 for this year.

THERE WILL BE NO FORM MAILED OUT TO RENEW. Please use the website link to pay your dues online, or print the renewal form and mail it in:

<https://rollinghillssnowmobileandatv.com/membership-services/>

Also please be aware that if you are a new member that joined the club after March 1, 2025, your membership will be carried into next year. No need to renew.

Landowners are always automatic club members and we will also cover your AWSC dues if desired. No need to anything, except if you want us to register you with AWSC, please notify us by shooting an email to rollinghills.info@gmail.com or give our membership chair Jim McDowall a call at 715-635-5186

ATV/UTV Trail Use:

All Washburn County ATV/UTV Trails were officially opened as of Friday, May 23rd at 8:00AM. Please note a few trail cautions as you prepare to head out on the trails. Trail 25 south off the Birchwood Fire Lane had a washout over the winter, however, the trail remains open and passable during this time. There has been log corduroy place through the washout area to allow machines to still pass through.

The Wild Rivers Trail (Trail 35) has two small washed out holes located approximately 1.5 miles north of Palmer Drive and 3 miles south of Brooklyn Road. Barricades & trail cautions have been placed in the area.

Recently, a reroute was placed along Trail 39, south to Shell Lake. A new section of trail is now located south of "The Y" - Intersection #5 on the map - off of the Wild Rivers Trail (Trail 35). Signage has been placed and flagging is up to block off the previous section of trail. Please follow the new signage to be directed to the new section of trail. This new section of trail will be a permanent change due to land ownership/private property.
